

Print & Supplies

We aim to engineer the most sustainable portfolio of products & solutions and driving print innovation.

Printing can help solve what matters most to your workforce:

Sustainability

Hybrid flexibility

Security

Performance

Reliability

Climate action at HP

Forests

Circularity

We strive for maximum performance with minimal impact.

	<p>100% of pages printed</p>	<p>With HP+ and Forest First, every page printed—regardless of paper brand—is addressed through HP’s Forest Positive Framework to counteract deforestation.¹</p>
	<p>85%+ with recycled content plastic</p>	<p>85% or more of Original HP ink cartridges and 100% of Original HP toner cartridges contain post-consumer recycled content.²</p>
	<p>MPS carbon leadership</p>	<p>HP launched the planet’s most comprehensive carbon neutral Managed Print Services offering in 2020, in accordance with The CarbonNeutral® Protocol. In 2021 coverage expanded to HP Component MPS.³</p>

More ways HP Print Solutions can power your progress:

<p>Energy efficiency</p>	<p>Responsible printing</p>	<p>Air quality</p>
<p>88% of HP’s print portfolio has received EPEAT recognition, and 94% of the portfolio meets ENERGY STAR efficiency requirements⁴</p>	<p>HP’s aggressive goals not only focus on HP brand paper and packaging, but also address deforestation that goes beyond its own fiber sourcing to include the paper used in its printing products and services</p>	<p>HP voluntarily designs and tests its printing systems to prevent emissions that exceed eco-label guidelines through printing systems compliant with Blue Angel and EPEAT® indoor air quality (IAQ) criteria⁵</p>
